TESTIMONIES

▶ "This is an entertaining collection of brain teasers. The book contains clever visuals representing idioms, catchphrases and cliches."
- *The Straits Times, Singapore*

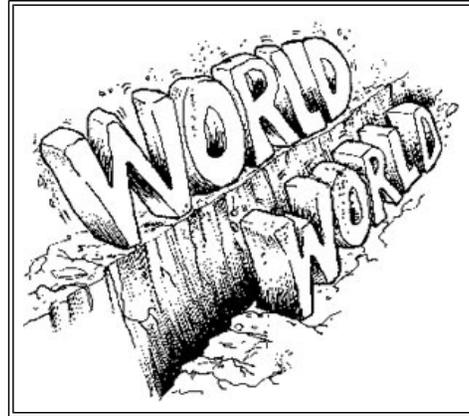

▶ "Word Juxtapoz offers word imagery at its most imaginative. The potential typography and graphic illustrations is artistically brought out in this book of creative word puzzles... definitely a good book for exercising your lateral thinking... promises many hours of entertainment and humour... To the professional trainers... a valuable educational resource that also serves as a treasure trove of icebreakers..."
- *The HR Human Resource*

Got it? It's ... "shaving cream."

The first one's simple. Now try this one... Five seconds, what's a two-word expression for this?

Did you guess right? It's "worlds apart." Wacky, huh?

Here's one more. But let us warn you - it's Level 4 (highest level) in the book. So what's it? (Sorry, no clues this time.)

And no solution for you. You'll have to buy the book to get the answer!

Now do you see what we mean by mind-boggling? And wacky!

my taste as a consumer. I enjoyed cracking every code in the [prototype/debut] album, and reached the last page gasping 'More, more!' It's addictive, it's challenging and it's high entertainment value. Word Juxtapoz is Singapore's boast that we are a literate society."
- Pauline Loh, Editor of InTouch with the Family, Singapore

Juxtaerobix will fuel your mind and take it into hyper-drive

Powered by trademarked technology of Word Juxtapoz®, Juxtaerobix will turbo-charge your creative brain. It will awaken your imagination, expand your mental horizon, set your creative spirit free, and give wings to your dreams.

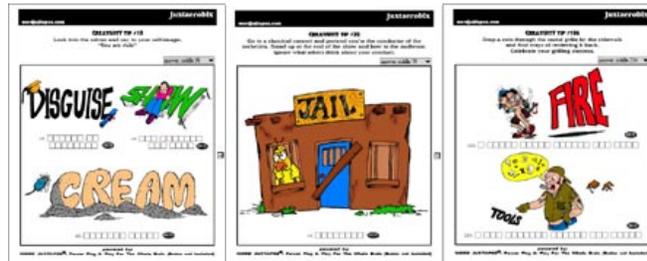

It will compel you to challenge assumptions, take risks, seize opportunities, look at problems from new perspectives and think ambiguously. And by the way, these are fundamental skills of creative thinking.

Some sample pages to whet your appetite

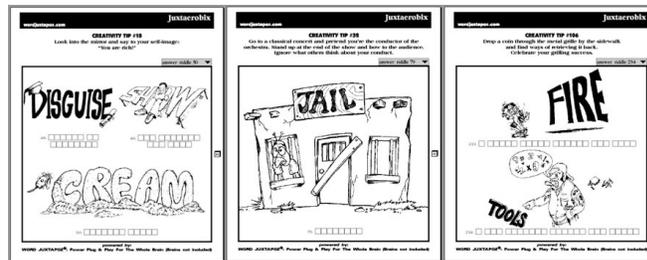

As you delve through the hundreds of mazes in the book, trying hard to make sense and decipher the meaning behind each of them, you'll invariably find yourself breaking into laughter and gasping in disbelief, "why didn't I think of that?"

Be prepared to join the league of Great Thinkers!

But not to worry, if you think you're not ready to become a Great Thinker, you can take it one step at a time. These specially conceptualized brain boosters in the book are carefully categorized into four levels of difficulty – just so that you can progress through them one level at a time, according to your pace.

After all, as they say, creativity is a process.

However difficult they may be, those whole brain teasers are guaranteed to give your brain muscles a good "Tune Up".

Over one hundred practical creativity tips

What's more, this incredible book is power-packed with over one hundred very practical creativity tips that will help you – and your family – become a more dynamic creative thinker.

For example, Creativity Tip #1:

Look at old problems with new eyes. Put on brand new glasses. See if you don't break into the song "I can see clearly now!".

You will be able to find a tip for a creative activity for any occasion. No more wondering what to do on weekends and holidays!

No more boring parties and get- togethers

Select from the hundreds of wacky teasers in the book and print out sample pages for use in your next home and office parties!

No more wondering what to do for icebreakers in your coming birthday party or family get-together.

Put an end to those boring moments!

Juxtaerobix will give you hours and hours of fun, humor and laughter - and everyone will thank you for it!

Think about it ... Family time and parties will never be the same again.

And everyone - your friends, loved ones and colleagues - will love you for it.

Send creative sparks flying with Juxtaerobix

Consider using the Juxtaerobix as icebreakers and games and see if you don't:

- Electrify your classroom teaching and group discussions
- Jump start lazy brains and turbo-charge your colleagues in the next inhouse meeting
- Add completely new dimensions to your meetings and presentations by injecting interactive humor and creativity
- Energize the participants at your next training session
- Generate breakthrough ideas at your annual strategic planning conferences
- Empower your team with a new, dynamic, and synergistic spirit
- Break down blocks to creativity and innovation in your children, friends and teammates
- Give life to your company retreats with wacky ideas that are completely original and fresh
- Inspire fun and laughter once again in the people you work with
- Increase motivation and boost cooperation among your colleagues at the workplace
- Improve productivity and quality of life in everyone around you!

In our book which is in PDF format (see below for info on PDF), you need not flip back and forth to the answer page and teaser page everytime you make a guess for the teaser.

This is because the answers to the teasers can be found near the top right hand corner of each page.

For example, if you want to know the answer to teaser 1, just click on the pull down menu and choose the answer to teaser 1. An answer dialog box will appear. In this case, you can choose whichever teasers you like to play first or last.

Alternatively, you can also print out the whole book or the answer page only.

Discover the amazing wonder of words! And the astonishing power of visuals!

Combine them - words and pictures - and you will experience the dynamite power of the art of Word Juxtapoz®.

Learning to improve your vocabulary need not be tedious or even painful. It should be fun - lots of fun.

Start with your brain

And that's exactly what the **ebook Word Juxtapoz®** is about.

In Word Juxtapoz®, you will have to grapple with letters, words, numbers, symbols and/or pictures, and decipher for yourself the particular catchphrase or expression behind each "visual" or Word Juxtapoz® puzzle (over **400 puzzles** in the ebook). The vocabulary words and phrases you'll learn are categorized in seven fields: General, Business, law & Politics, Science, Leisure, Sports and Religion.

Here's the fine print: Brains not included; use your own.

Let your imagination run wild

How is it possible to describe this ebook Word Juxtapoz with a pitifully monolingual medium like the written word? One must employ visual images and loads of imagination.

It is not a design book and it is not a dictionary, although it may appear like both. For the educator and the camp commandant, it provides loads of ideas for training and iteration; for the game buff, it is a challenge to his wits and word knowledge.

You've mastered crossword puzzles and beat everybody at Nintendo, but sometimes you simply you simply enjoy curling up with a book alone or with your loved ones. Word Juxtapoz will prove to be more than just an entertaining read - Word Juxtapoz puzzles can be headscratchers and some may even cause you to tear at your hair, but each and every one is a feast for the eyes and food for thought.

Game Description

Get ready to be whacked on every side of your head! And then go flipped!

You've found your match ... finally.

Fliptease teasers are probably the world's wackiest teasers and they are so wacky they will make you flip!

Consisting of 10 levels of difficulty in each series, fliptease wacky teasers will put you to the challenge – word for word – literally.

You see, in fliptease, you'll have to grapple with a series of intriguing and mind-boggling mazes of words, letters, numbers, symbols, colors and pictures. And amazingly like an illusionist, you'll have to break the code that is cleverly hidden behind each of the riddles and uncover the embedded message.

The message can easily be an idiom, a proverb or simply a common expression you use every day.

Sounds easy?

Hmmm, we'll see. But don't say we never warn you that...
... fliptease teasers are so wacky they make you flip!

How To Play

1. Open the fliptease application, and you are presented with a fliptease picture riddle and clue.
2. Make a guess of the teaser. To see answer, press the "Answer" selection key.
3. You will then see the answer. To find out the meaning of the phrase and usage, press the "Meaning" selection key
4. You may go the next picture teaser by pressing on the "Next Teaser" selection key.
5. Menu selection key allows you to navigate different stage of the game.
6. TIPS
 - i) Pressing " < " and " > " arrow keys allow one to scroll backward and forward respectively to different picture teasers.
 - ii) Pressing " V " arrow key once allows you to see the Answers, and pressing it again lets you see the meaning of the phrase and usage.
