

These Are The Covert Hypnosis Tactics Leaked By THE UNDERGROUND.

"The Astonishing Secrets Of The Most Respected ...Most Knowledgeable ...And Most Dangerous Hypnotist In The World!"

Yes, These Are THE Controversial Methods That The Underground Has Concealed For YEARS.

From: The Desk of Taylor Starr

Atlanta, GA

Dear Seeker,

The underground hypnosis groups have **melted into a frenzy of mayhem.**

Why? Even though these "groups" made insane attempts to **keep this knowledge from you**, I have finally unearthed *EVERY SINGLE PIECE* of advanced hypnotic power known to man.

"Black Ops" Hypnosis patterns like this have been kept under-wraps by secret societies for years. But today, , I am unveiling this **rare and crucial** information.

Here's The Rundown...

The hypnosis world is in shambles, and for good reason...

This site is unveiling secret ways to hypnotize humans that were never thought possible. I've seen these powers "in action" and they are more explosive than an *atomic bomb*.

Please listen carefully, this information is **absolutely detonating in the wrong hands.**

Yes, This is THE site that is making mountains of controversy in the hypnosis industry. As the word has spread, more and more have attempted to take ANY measures to bring this website down.

My name is Taylor Starr, and you are about to experience the most intense and influential knowledge **ever revealed**.

Meeting "The Leaders"

Hypnosis has never been a fascination for me, **it's been an obsession**.

I have constantly been in search for underground ways to TRULY hypnotize people. Unfortunately, everything I found was either totally bunk or completely outdated and useless.

I'm sure you know EXACTLY what I mean. One look around the internet and you'll find 99% of the "hypnosis sites" out there are complete crap.

But the power I eventually stumbled onto **scared me to death...**

I was totally shocked to find there were others feeling my distress. I eventually became close friends with some other "searchers", and together we would share findings in hopes that we could finally piece the puzzle together.

After *almost* giving up and accepting the fact that I would never **hypnotize everyday people within seconds**, an *informant* of mine stumbled on to something VERY odd.

I can't go in to details of what my informant said (NONE of these people will let me publish there REAL names).

But I'll give you a hint:

There was an Underground Team of dark geniuses that had unearthed some VERY intense information on hypnosis.

These *Underworld Leaders* had slowly developed Black Ops hypnosis skills that MANY "professionals" swear are impossible.

Trust me, this is real. This is almost TO real.

My Name Is Taylor Starr, And I Am An Addict...

As soon as I had a "taste" of this underground knowledge, I was *addicted*.

Seriously, It was like HEROIN.

I literally spent almost one thousand hours trying to track down this mysterious secret society. Attempting to break into this subculture was harder than hacking the Pentagon's computer.

These guys had their "security" nailed down tight. And nobody was breaking in...

Luckily I met someone "in the know". An informant of mine told me the man I needed to meet was *Willow*. *Willow* actually knew the three MAIN leaders of the Underground, called "**The Triad**".

Meeting *The Triad* was out of the question. Some of their own high-level members had no clue who they were.

When I finally found Willow, I wrote him an email introducing myself.

That was really freaky because...

He KNEW I Was Coming!

Even though we'd never met, never spoken, or anything.

In fact, when he emailed me back telling me he'd been expecting me, he actually hypnotized me by email!

I know this sounds crazy but when I finally spoke to him in person, he explained how it worked. (NOBODY knows how to do this.)

Can you imagine? **Hypnotizing someone by email?**

If I hadn't been the one who was actually hypnotized, I would have NEVER believed it.

But it happened. And that was just the beginning.

Willow had connections that government agencies only dream of.

Willow had a direct line to meeting "*The Triad*". After earning Willow's trust, I was in.

Once I finally met "*The Triad*" it was all over.

I gained more Black Ops Hypnosis knowledge than I ever dreamed possible...

What This Means To YOU

It took a while for "*The Triad*" to fully trust me, but my hard work and perseverance really paid off for both *you and me*.

Here's what I mean.

I was absolutely DYING to find out all of the tricks under these leaders' sleeves.

I mean think about it.

These three *subterranean leaders* literally WROTE THE BOOK on Underground Hypnosis.

They LITERALLY invented it.

If I could just pick their brains for an hour, I knew **my life would explode with new possibilities.**

Unfortunately, The Underground Leaders were very tight lipped and only exposed these underworld tactics to a select few close friends.

But after months of hard work and networking, I finally gained their trust and they agreed to meet in person.

Honestly, the **ONLY** reason they met with me is they heard about this site, and wanted to figure out how I found out about this very rare form of hypnosis.

What happened next completely startled me.

After our meeting, The Leaders offered to train me in the most advanced Black Ops Underground Hypnosis tactics known to man.

I spent over a month in insanely difficult studying sessions and meetings with the masters. Words can NOT describe the hell I went through to learn these techniques (You probably wouldn't believe it if I told you).

...All the suffering and pain was worthwhile, because now I'm doing things that **men only dream about.**

Have Your Toughest Enemies Eating From The Palm Of Your Hand

Here's what happened.

I work in a high profile real estate firm selling office complexes to rich, hard-nosed investors.

Just the other day, I met a client at work to discuss some business issues.

This was the type of client you absolutely HATE to deal with.

He was rich as hell and didn't want to listen to me. And he was rude. **He thought he was better than everybody because he's so rich.**

Anyway, I was kind of stuck with him because he everyone else in my company had refused to work with him.

I Decided To Use "Black Ops Hypnosis" On This Rich Jerk And Make Him Give In To My Commands

Just thinking about dealing with this client made me nervous as a *nun at bike week.*

But I decided to put what I'd learned from "The Leader" to the test.

I ran a quick "Iron Man" pattern on myself (you'll see how to do this as well) and approached the rich jerk with more confidence than I have *ever* had.

(It's amazing how simple the Iron Man Pattern is. Your life will literally be

transformed by this technique alone.)

So I sat down with this guy and immediately started watching his eyes and body movements.

After running the "Black Mirror Operation" on him, (*again, you can hear how to do this in the course*) he started open up to me.

(You'll be surprised how simple it is to make people like you during that first impression!)

Then I Dropped The Freaking Hammer On Him.

I used the "No Cleaver" technique I learned from "The Leader". This is where you hypnotize someone during "normal conversation" and make them believe it is fundamentally wrong to disagree with you.

It's not illegal to do this ...yet. **But it should be.**

Seriously, this was the most amazing thing I have ever seen. The guy folded like a paper napkin.

I had this "Big Wig" in the palm of my hands. I seriously think if I would have wanted him to dance in his underwear like a chicken, he would have done it just to gain my approval.

Hell, I might have to try that one out next time.

Hands down, it was the most amazing thing I've ever seen. **He had absolutely NO control over the situation** and needless to say I got the deal (this was only last week, people at the office are STILL going absolutely nuts).

Since "The Triad" taught me these three techniques I just told you about, my income has *exploded*.

If you use this information, you could easily see changes in your finances IMMEDIATELY.

Heck, you can see changes in any part of your life you want.

The bottom line is this:

You WILL Be Hypnotizing People In Minutes

But only if you take advantage of this opportunity today.

The reason this won't last long is I'll probably be forced to take this site down.

I am basically banned from the hypnosis industry as they have made a HUGE stink about this.

In fact, the only way "The Triad" agreed to let me make this knowledge public was if I:

1. **Paid him a small fortune** (which I did, but it's already come back to me in spades).

2. Promised to **NEVER reveal their true identity**.

3. Only disclose this information to a VERY small, select few individuals.

Unfortunately those "select few individuals" are piling up quicker than I thought humanly possible...

3,432 Other People Like You Are Trying To Get Their Hands On This Right Now

Ever since I first went public about my discoveries on August 9th, 3,432 people just like you have found my website and contacted me begging for this privileged information.

After taking some time off and thinking about the situation, I decided to bring this information to a select few (including you).

The Darkest Connections In The World

After befriending the leaders of the most revered underground hypnosis groups, I found myself in an *AMAZING POSITION*. I was constantly mingling with the "who's who" of underground hypnosis.

After weeks of infiltrating their underworld, I finally got the call...

"The Trader" wanted to meet me.

This HAS to be one of the FREAKIEST people on the planet.

With a "Goat-T" 7 inches long and shifty eyes, he talked endlessly about hypnotic knowledge I DIDN'T EVEN KNOW EXISTED.

During our meeting, I probably wrote a hundred pages of notes. He was rambling off Black Ops tactics so fast, I thought my hand was going to break as I scribbled them down at lightning speeds.

What I learned that evening changed my life forever.

This guy was good ...almost TOO good.

With this wealth of knowledge, I made 3 Audio CD's that will completely startle, bewilder, and amaze you.

Against my better judgment, I've decided to release these CD's in the course for a VERY limited time.

PLEASE NOTE: *After Today, I reserve the right to pull this Three CD Set from the Course and sell it for an additional \$97 (Don't*

worry, that's *STILL* one hell of a deal!).

But There's A Catch: This Has To Stop With You

Please, whatever you do ...DO NOT share these techniques with anyone.

What you're about to get is the same as having nuclear weapons: **ULTIMATE POWER.**

With these "Black Ops" strategies, you'll be capable of putting anyone in a trance ... even if you just met them.

And they won't even know it.

It doesn't matter if they trust you. it doesn't matter if they like you.

As long as they can see or hear you, you can put them under hypnosis.

In the wrong hands, this stuff is like dynamite.

Here's What You're Getting

First, you're getting an unedited Interview CD that explains Black Ops in **BRUTAL** detail. I recorded this CD after my 32+ days of training with the Triad.

After the extremely intense training of The Triad, I became the prodigy of Underground Black Ops Hypnosis.

The only one in the history of Underground Hypnosis to receive "full bodied" training from **ALL THREE** leaders.

Nothing like this Rock Solid, Hardcore Audio interview has been available on the market before (And for good reason, no one has ever been able to infiltrate this secret society).

In this recording, you'll discover exactly how "Black Ops Hypnosis" works and how you can put it to work for you ... in any situation.

Next, you get the benefit of about 97 hours of hard work I've already done for you.

Here's the deal. With The Leaders help, I've created a **VERY** comprehensive and complete course devoted to teaching the **TRUE** form of Black Ops Hypnosis.

You'll not only receive the *all revealing* "Underground Hypnosis **EXPOSED**" audio portion...

But you will also receive the **EXTREMELY RARE** and **COVETED AUDIO CD**, "The Roots of Covert Control: The Majors".

In this CD, I explain in detail the **THREE MAJOR** Black Ops moves I learned during my apprenticeship with the Triad. By the end of this CD, you'll be the **GRAND MASTER** of the *Iron Man Pattern*, *The Black Mirror Operation*, and the *lethal No Cleaver Technique*.

With this "*Black Ops Hypnosis Course*", you will finally be able to master the same stealth hypno-tactics being used by the underground for years.

Here's a small sample of what you'll uncover:

- Never wait in line again for anything. How to use group hypnosis and make people ***insist*** on letting you go first.
- Learn how some hypnotists **make as much as \$15,000 EVERY NIGHT!** (You'll be surprised when you find out how!)
- How you can use MASS HYPNOSIS to **get huge groups of people to do what you want** (these are the same strategies filthy rich T.V. evangelists pay through the nose to master.)
- How to **hypnotize your way out of any situation.**
- How to magically **fall asleep with NO trouble.**
- Finally the art of **making GOBS of money with hypnosis** is revealed. Not only with stage shows, but in YOUR job right now... regardless of what profession!
- Discover how to **use your "internal clock" with hypnosis.** Imagine NEVER missing an appointment again... or waking up at ANY time you want without an alarm clock.
- A revealing look at **instant hypnosis**, and how you can easily preplant triggers to **make people do what you want ... when you want ... AT WILL!**
- How to **bring someone out of a trance instantly, exactly when you choose.**
- How to utilize MASS HYPNOSIS. Imagine **hypnotizing not only 100's of people... but even THOUSANDS at time** (Here's a hint, people do it EVERY DAY).
- How to use these techniques even in the most straining conditions. **Never be vulnerable in ANY situation.** (can you imagine never again thinking "I should have said THIS"!)
- How to **magically get someone to agree with you** JUST through body language (Another hint... watch their eyes VERY closely).
- **How to use hypnosis with people NEVER knowing.**

...And much, much more.
