**The Hypnotic Talker**  
The Art Of Sales And Persuasion

## **The Hypnotic Talker**

### **Instant Download E-book**

The first one of a kind product, that actually reveals truth about influence and persuasion, to lead you into the **true knowledge** of covert and persuasion language...  
armoring you in this incredibly competitive world!

**Professional E-book** created By Certified Hypnotherapists: Jesse Berg, CHT. and Steven B. Schneider, CHT.

**Why read this book? Well, that is a good question. Time is an important thing these days and I sure would not waste your time**

This book has inside it knowledge that **will open your eyes** to a completely different perspective of communication and thought process.

This book is a collective of highly effective materials used everyday by the most persuasive people in the world. The people that are selling million dollar homes, the people that are running the biggest corporations, the people that instantly make friends with everyone they meet, and even the healers and motivators use this knowledge to make things happen within their environments. Some know what they're doing when they use these techniques and some have no idea how they do what they do. You will know.

**You will learn the secrets of persuasion language, how it works, why it works.**

You will learn how the mind works when processing communication in the conscious mind and the subconscious mind. You will learn covert rapport building and covert questioning. You will also learn how to easily incorporate these skills into your natural language patterning and how to build a strong and confident communicator within yourself through the use of self-imagery. You will learn this knowledge, use this knowledge, and awaken The Hypnotic Talker within.

Please enjoy.

**What does your life have in store for you when you... become The Hypnotic Talker?**

**H**ave you ever sat across from someone who needed something you had... but could not communicate in a way that caused them to see it that way?

**H**ow will you feel when you have the knowledge that gives you the ability to communicate with others... at the unconscious level, during a normal conversation,

and have them drooling with anticipation and curiosity over you and what you are saying?

**W**ill you have richer relationships, gain wealth, gain admiration, attract others to want to be around you or just have as much fun as possible... with your **new life** as The Hypnotic Talker?

**A**fter gaining the power of an irresistible communicator...a truly persuasive person... an undeniable powerhouse in this competitive world... how will you feel on the inside...?

**B**y Hypnotic Talker being added to your thinking... you will know how to...

-  Use new and easy skills to always know what is going on between yourself and the person you are communicating with!
-  Overwhelm people with your talking style so that they won't be able to get enough of you!
-  Adapt hypnotic communication techniques to influence others at the subconscious level of the mind!
-  Possess the power of a verbal wizard speaking your desires into the universe!

So again, we ask...

**What does your life have in store for you when you... become The Hypnotic Talker?**

What did Mr. Steinbacher, Vice President of Executive Sales and Training have to say?

"I can't believe what this book reveals. Shame on them!"

**What exactly will you find in this book?**
